Mariann Rajnai joined DLA Piper Hungary in 2015. She works for our office's Intellectual Property and Technology Group. Previously she had been working also in the financial sector, as legal counsel of a commercial bank.

Her main area of expertise is Media and Entertainment Law including, among others, motion picture production and media financing. She also has a wide range of experience on the fields of insolvency and debt collection matters, litigation and general commercial and corporate matters.

Due to her extensive experience on film production and financing Mariann Rajnai combines the above specializations, Her main clients are local and US film production companies as well as foreign banks. She supports the entire lifecycle of the film productions and guides the clients through the local regulations with ease and professionalism.

* Independent attorney-at-law in cooperation with DLA Piper Posztl, Nemescsói, Györfi-Tóth and Partners.
