John Rattigan serves as counsel to developers, public agencies and investors in the acquisition, development, sale and leasing of large-scale real estate projects. He has been lead counsel for many of Boston's most important and transformative real estate developments.

Among John's representative development projects in Boston are Fan Pier, Millennium Tower, The South Station Air Rights Project, Echelon Seaport, the Residences at the Ritz Carlton, the office tower at 10 St. James Avenue, the Park and Garage at Post Office Square and the expansion of South Bay Shopping Center. He also leads the team representing The Port Authority of New York and New Jersey on the redevelopment of The World Trade Center.

John's experience also includes the development of facilities in airports, including Terminal A at Boston's Logan Airport and major new fueling systems at Logan Airport and in Oakland, California.
