

Real Estate Finance

Our global real estate finance team has a proven track record of advising both lenders and borrowers in finance transactions throughout the real estate industry. Clients know they can rely on us at all stages of their real estate transactions, from the term sheet and structuring stage, through closing, tranching, syndication and securitization, administration, servicing and, if required, restructuring.

In recent years investors and lenders have increasingly combined traditional financing tools and created alternative finance structures, and we have developed a broad approach to meet the changing needs of the market.

The clean energy provisions of the Inflation Reduction Act of 2022 – a historic effort to encourage the development of clean energy and reduce carbon emissions

17 August 2022

The IRA will have a dramatic impact on development and financing of clean energy projects in the US over the next ten years, not least by expanding tax credits to additional technologies and allowing project owners to directly transfer those credits.
