

Real Estate Finance

Our global real estate finance team has a proven track record of advising both lenders and borrowers in finance transactions throughout the real estate industry. Clients know they can rely on us at all stages of their real estate transactions, from the term sheet and structuring stage, through closing, tranching, syndication and securitization, administration, servicing and, if required, restructuring.

In recent years investors and lenders have increasingly combined traditional financing tools and created alternative finance structures, and we have developed a broad approach to meet the changing needs of the market.
