With approximately 200 real estate lawyers in the US and over 500 globally, DLA Piper's market-leading real estate group offers a full range of real estate services, including single asset and portfolio acquisitions and dispositions, single asset and multi-property/programmatic joint ventures, fund formation, operating company investments, cross-border investments, REITs, financing, construction and design, leasing, zoning/land-use, environmental law, real estate litigation and tax.

Our clients benefit from our significant experience in orchestrating complex, long-term projects that involve drafting documentation, facilitating negotiations, navigating legal and regulatory issues and, when necessary, litigating on their behalf.

Our global team of real estate lawyers assists clients throughout the entire life cycle of their investments, wherever in the world business takes them.

Real estate has emerged as an attractive long-term investment for investors seeking diversification and stable yields within an uncertain economy. In addition, many traditional real estate companies and multinational corporations now have needs that transcend borders resulting in the emergence of a global real estate industry.
