

Droit administratif et réglementaire

DLA Piper's Regulatory and Administrative Law practice offers comprehensive advisory and representational services for successful regulatory compliance, risk management and corporate governance in every regulated industry and enterprise including education, energy, environment, professional regulation, health, life sciences, international trade, human rights, manufacturing, taxation, broadcasting, immigration, transportation, labour relations, access to information and privacy, commercial arbitration, and occupational health and safety.

Our group represents and advises regulatory agencies and private sector clients in:

- Regulatory hearings
- Arbitrations
- Judicial reviews of administrative decisions
- Constitutional challenges
- Strategic planning
- Procedural fairness
- Human capital
- Policy, bylaw, rule, process and legislative changes
- Preventive conflict management through mediation, other dispute avoiding techniques, and customized system design

SERVICES RELIÉS

- Litiges, arbitrage et enquêtes
