EXPERIENCE

We advise clients across a wide range of industry sectors and have particular strength in energy, financial services, healthcare, hospitality and leisure, real estate, retail, sports, technology and transportation.

Some of the most significant cross-border matters we have recently worked on are set out below:

- Abengoa – Represented Abengoa US Holding LLC and affiliates, the US unit of Spanish renewable energy company Abengoa SA, in its chapter 11 and chapter 15 petitions in the US Bankruptcy Court for the District of Delaware in Wilmington. Also represented US Abengoa SA with the approved sale of five ethanol plants in Indiana, Illinois and Nebraska for more than US\$355 million.
- China Fishery Group Limited – Represented Rabobank, Standard Chartered Bank and DBS in connection with the multijurisdictional restructuring and insolvency proceedings of China Fishery Group Limited, one of the world's largest producers of fish oil and fishmeal. DLA Piper successfully sought the appointment of a chapter 11 trustee over one of the key entities in the US bankruptcy proceedings in the Southern District of New York.
- Trident Microsystems – Representing Trident Microsystems, Inc., a chip and software company, in its filing for chapter 11 in the US Bankruptcy Court for the District of Delaware and the sale of Trident's set-top box business unit to Entropic Communications in exchange for the assumption of obligations and US\$55 million in cash, the sale of Trident's TV business unit to Sigma Designs in exchange for the assumption of obligations and for US\$30 million, and the winding-up of Trident's 16 foreign subsidiaries located in 11 different countries. The 2013 M&A Advisor International Awards honoured us with the 'Corporate/Strategic Acquisition of the Year' award (over US\$50 million to US\$100 million) for the sale of Trident Microsystems.
- Dawnay Day – Advising Norwich Union (now Aviva), the largest senior lender, and BDO Stoy Hayward as administrators on the restructuring of Dawnay Day, a global real estate and financial services conglomerate with assets of £1 billion.
- Nortel Networks Canadian Creditors Committee – Engaged as US and cross-border counsel to the Nortel Networks Canadian Creditors Committee in the multi-nation insolvency proceedings of Nortel's Canadian parent and its US and EMEA affiliates, including their dispute over how \$7.3 billion in global asset sale proceeds should be allocated among them.
- Lexi Holdings – Advising a syndicate of UK banks and KPMG as administrators in the restructuring/insolvency of Lexi Holdings. The company was defrauded of approximately £50-70 million. We obtained judgments against 18 parties, committed the main director behind the fraud to prison, and recovered approximately £40 million in real estate worldwide.
- Ineas – Advising on the administration of Ineas, a pan-European online car insurance company. This was one of the largest insolvencies of an insurance company in Europe in recent history. We worked closely with the Dutch Central Bank and the Dutch Financial Supervision Authority with regard to the treatment of insurance policies, continuation and/or transfer of activities and the application of guarantee funds.
- Solar Enertech Corp – Advising on the restructuring of Solar Enertech Corp, a US-headquartered solar product manufacturer with Asian operations in Hong Kong and Shanghai. We were appointed, in conjunction with FTI Consulting, to restructure both the parent company and its subsidiaries.
- Velti plc - Representing Velti plc's US subsidiaries in connection with its chapter 11 case in Wilmington, Delaware and the section 363 sale of its US, UK and India mobile marketing businesses and certain of its US-based advertising businesses to GSO Capital Partners, the credit division of Blackstone. Recent splits within the Delaware courts: Are third-party releases consensual for nonvoting creditors and equity holders?

6 October 2020

When a debtor confirms a chapter 11 plan, section 1141 of the Bankruptcy Code allows the debtor to discharge its liabilities. The discharge is limited to debtors, and section 524(e) of the Bankruptcy Code specifically provides that the discharge does not affect the pre-confirmation liability of non-debtor entities. To close the loop, chapter 11 plans typically contain releases for third parties from claims related to the debtor or the restructuring process. Although limited in scope, these releases have an effect similar to discharge and are often key to a plan's success.
