Richard van Schaik advises on all aspects of intellectual property, including trademark, unauthorised parallel import and copyright matters. He is specialised in data protection law.

Richard is heading the Dutch Data Protection team which advises clients from many business sectors, such as banking, IT, telecom and advertising. He has a broad experience on national and international data protection audits, transfer agreements (outside EU), clearances, e-mail and internet policies, data security and provides advice on compliance issues.

In addition, Richard has specific experience in advertising law. He has obtained many landmark decisions and has been involved in a great number of litigation procedures at every court level in the Netherlands and at the Advertising Code Committee.

DLA Piper advises Heliad Equity Partners on participation in EUR20m financing round of MODIFI

20 September 2021

DLA Piper has advised Heliad Equity Partners GmbH & Co. KGaA as lead investor on its participation in MODIFI's EUR20 million Series B financing round. Heliad Equity Partners is investing a single-digit million amount as part of the financing round. Other investors who participated significantly in the round include Neva, the venture capital arm of Italy's banking group Intesa San Paolo, and existing investors including Global Founders Capital, Maersk Growth and Picus Capital.

DLA Piper advised Box Inc who will acquire SignRequest

10 February 2021

We are delighted to have advised Box Inc, who entered into a definitive agreement to acquire SignRequest, a cloud-based electronic signature company.
