F: +56 2 2798 2600

Ignacio Schwerter practices as a trial attorney in criminal matters. He advises Chilean and foreign clients in matters of criminal liability of legal persons and/or their executives regarding allegations of bribery or corruption, as well as in matters concerning allegations of unfair administration, incompatible negotiation, environmental crimes, violations of capital market rules and other regulations.

His practice extends to the areas of litigation and compliance.

Earlier in his career, he was a partner at a prominent Chilean law firm.
