**Partner**

vincent.seah@dlapiper.com

**Singapore**

T: +65 6512 9595

Vincent's practice focuses on the development and financing of projects in the power, infrastructure, mining, metals, oil and gas, and petrochemicals industries. With particularly strong experience in advising sponsors and developers in the development of power projects in Asia and South Asia (including Indonesia, Vietnam, Myanmar, Cambodia, Thailand, Laos, Mongolia, Pakistan and Bangladesh), Vincent has advised on some of the most significant, first of its kind projects to have reached financial close in recent years.

Vincent's clients include developers, domestic and international energy companies, public utilities, contractors, commercial lenders, export credit agencies, multilateral development banks and other financial institutions.
