Stacy Shelhorse focuses her practice in the area of technology, data privacy, and security.

Stacy represents clients in cybersecurity incident response, including crisis management, regulator/individual notification, and post-incident liability.

She also counsels clients on compliance issues related to the California Consumer Privacy Act (CCPA), the General Data Protection Regulation (GDPR), and state security and data breach laws.

She advises clients on the implementation of privacy policies and internal privacy and security-related procedures and negotiating privacy and security terms in agreements.

She has experience counselling clients in the technology, communications, media, advertising, health services and financial industries.

- Technology
Transactions and
Strategic Sourcing

Admissions

- Washington

Prior Experience

- Before joining DLA Piper, Stacy worked for the Amazon Web Services Security team negotiating privacy and security terms with public sector and healthcare customers.
- Prior to joining Amazon Web Services, Stacy worked for Amazon's corporate tax department reviewing and negotiating contracts for various contractual issues.
- After graduating law school, Stacy worked in house for a major accounting firm analyzing various tax-related issues.
- During law school, Stacy worked for the Internal Revenue Service as a legal intern and assisted in the representation of the Internal Revenue Service in litigation against taxpayers.

SEC addresses cybersecurity risk in proposed rules for the investment management industry

17 February 2022

The proposed rules focus on four key areas: risk management through policies and procedures, incident reporting to the SEC, investor disclosure, and recordkeeping.

When a threat actor strikes: Legal considerations and challenges in a ransomware attack

21 December 2020

Evidence suggests that having employees working remotely significantly increases the risk of a successful ransomware attack.

New OFAC guidance for ransomware payments

16 October 2020

On October 1, 2020, the OFAC issued an advisory to companies providing services to victims of ransomware attacks, informing them of the potential "sanctions risks" for facilitating ransomware payments.

PRO BONO

- Stacy has helped clients seeking assistance with COVID-related matters and loan assistance.
- Stacy has helped clients seeking review of sponsorship agreements and media use consent agreements.
- Stacy represented a pro bono client in court for a family law case.
