受賞

- "...Jeremy will always go the extra mile." Commercial Litigation: Premium, *Legal 500*, 2021
- "Jeremy Sher is one of the great strategic thinkers I have encountered in litigation: he never approaches litigation without a carefully thought out plan for how to win and what to do to get there. One of the best letter writers in the business as well; his drafting for centre-piece disputes correspondence like letters before action and responses to letters before action is both a joy to read and highly effective at getting results." Financial Services: Contentious, *Legal 500*, 2021
- "Jeremy Sher is exceptionally intelligent, experienced and well-versed in combative litigation. He is a clever tactician and seems to get on well with all members of his team and manage clients with aplomb".
Financial Services: Contentious, *Legal 500*, 2020
- "Jeremy Sher counts class actions and M&A-related disputes among his areas of expertise".
Commercial Litigation: Premium, *Legal 500*, 2020
- "The team at DLA Piper comprising Jamie Curle, Jeremy Sher and James Carter is exceptional. What makes them exceptional is the lengths to which they will go to bring their clients with them at every stage of the litigation process....".
Banking Litigation: Investment and Retail, *Legal 500*, 2020
- "[...] Jeremy Sher, [...] is strong for class actions..."
Banking Litigation: Investment and Retail, *Legal 500*, 2020
- "[...] Jeremy Sher stands out for his consistent involvement in high value, cross-border fraud disputes".
Civil Fraud, *Legal 500*, 2020
- "Highly regarded".
Commercial Litigation, *Legal 500*, 2019

Fatal air pollution: A subject for group actions in the UK?

21 January 2021

It has long been recognised that air pollution, in the form of particulates, and sulphur and nitrogen oxides, has an extremely detrimental effect on health – particularly in heavily populated urban areas with high traffic densities.

The gathering storm: COVID-19-related disputes in the financial services sector – A transatlantic perspective

5 October 2020

COVID-19 has caused the largest shock to the global economy in living memory. Whilst economic uncertainty, financial distress and market turmoil usually trigger increased levels of commercial litigation, the extreme conditions created by COVID-19 have primed the landscape for a pan-sector surge in financial services-related disputes.
