Federico guides some of Italian and international top companies through their complex international workforce challenges, granting top quality assistance and commercial acumen.

Federico is a Partner in the International Employment group and is based in the Milan office. Active in all the employment related fields, he has gained more than 20 years experience assisting both Italian and international clients on domestic and cross border matters.

He specializes in restructuring, investigations and litigation matters. Federico is also well-versed in international profiles, thanks to the years spent working in major international law firms in Milan and London. He specializes in aviation, retail and oil & gas sectors and regularly delivers training in Italy and abroad on a wide range of matters. He is editor and author of Employment Law in Europe, an extensive guide on employment matters across Europe.
