

Tax

DLA Piper provides the full range of tax services that address the challenges of international commerce and business operations.

With more than 380 tax advisors in offices throughout the world, we help multinational companies address the complex challenges of international commerce and business operations as well as manage and resolve tax disputes.

Companies operating in the global economy experience complex tax issues, both in their home country and in the jurisdictions in which they do business; this requires a coordinated global delivery of services incorporating both knowledge of national legislation, including tax treaties, as well as the appropriate international perspective.

Our global tax group also assists clients in structuring a wide range of transactions, from private equity deals to corporate acquisitions and disposals.

We provide these international tax services while at the same time offering clients the benefits of the attorney-client and work-product privileges.

Our tax lawyers draw upon the experience of colleagues in numerous areas of law, including intellectual property and technology, corporate and finance, real estate, employment and employee benefits.

In addition, DLA Piper's practices in such areas as regulatory and EU competition, public affairs and government affairs further strengthen the capabilities of our tax practitioners, resulting in fully integrated advice to our clients.

EXPERIENCE

- Advising a global health sciences company in the negotiation of a bilateral Advanced Pricing Agreement (APA), representing the first bilateral APA negotiated between the United States and Ireland
- Advising a private equity firm in connection with a global acquisition resulting in the creation of the largest independent global pigment dispersion platform
- Advising the world's #1 nonfiction media company in connection with its high-profile, multi-jurisdictional acquisition of TV and radio business activities in Northern Europe
- Advised a networking equipment manufacturer in connection with an international restructuring project requiring in-depth VAT and customs advice. Implementation of the new distribution models required integrated indirect tax advice covering both local customs and VAT/GST regulations primarily in the EMEA and Hong Kong
- Advising a leading cotton processing and marketing organization with comprehensive tax structuring and planning advice in connection with its joint venture arrangements with one of the world's largest commodity traders
