

Trade and Commodity Finance

Our global structured trade and commodity finance team combines a comprehensive knowledge of the law with a pragmatic approach to the commercial realities of structured trade finance.

The team is adept at structuring transactions to mitigate risk in challenging markets, whatever commodities or technologies are involved, and is experienced in providing tailored financing solutions and cutting-edge security packages designed for our clients' specific commercial needs.

CAPABILITES

We provide multidisciplinary advice across the world to leading banks, trading houses and corporates in both transactional and contentious matters, such as:

- Pre-and post-export financing;
- Warehouse/inventory finance;
- Borrowing base and reserve based lending structures;
- Ownership structures including repos and deferred payments;
- Export credit arrangements;
- Prepayment and limited recourse financing;
- Silent payment guarantees and independent payment undertakings;
- The transfer of receivables and forfaiting;
- Letters of credit and bills of exchange; and
- Oil, gas, metals and soft commodities.
