**Miami**

T: +1 305 423 8528

F: +1 305 675 8420

Carol Umhoefer's practice encompasses information technology, e-commerce and commercial matters as well as related regulatory compliance issues, with a particular focus on all aspects of data and IT regulations, including data protection, privacy, cyber security, document retention and encryption. She advises companies across a broad range of sectors, including financial services, professional services, online and traditional retail, pharmaceutical and medical devices, and technology providers.

Carol has extensive experience advising on multi-national privacy assessments and compliance programs, with a particular focus on GDPR requirements, as well as conducting privacy impact assessments on a variety of technology solutions. She also advises on global and regional whistleblowing hotline and e-discovery projects.

Carol regularly assists clients in regulatory compliance and investigations, in particular with respect to consumer protection issues, pharmaceuticals and medical devices.

### Publications

#### Expert opinion on US surveillance laws highlights FISA risk for data transfers to the US

15 February 2022

Companies from as industries as disparate as hospitality, transportation, shipping, and banking could be considered ECSPs and required to comply with a government request for information that otherwise meets the Section 702 requirements.

---

#### EDPB's final Recommendations on Supplementary Measures confirm a subjective approach to assessing personal data transfer risks

2 July 2021

The Recommendations' detailed guidance will be useful to businesses and privacy practitioners as they conduct or update their transfer assessments, but the scope and detail of those assessments will require a sustained effort.

---

## European Commission's standard contractual clauses: extensive new requirements coming for US businesses receiving EU personal data subject to GDPR

8 June 2021

Adopting and complying with the New SCCs may require considerable effort for importers, particularly those that are not otherwise directly subject to GDPR.

---

## Out with the old, in with the new: Five members join California Privacy Protection Agency board; California AG Xavier Becerra moves to HHS

22 March 2021

Recent days have seen significant changes in the lineup of officials responsible for important privacy rights oversight in California.

---

## Schrems II: The next chapter – EDPB issues recommendations on supplementary measures for transfers of personal data to the US, European essential guarantees for surveillance measures

13 November 2020

The measures could have significant impacts on international data transfers, particularly those between Europe and the US, which drive over a trillion dollars in trade every year.

---

## Schrems II: Now what? New FAQs from EU data protection supervisors provide guidance on data transfers

28 July 2020

Organizations relying on Privacy Shield for transfers to the US of personal data subject to GDPR must immediately implement an alternative mechanism or cease transfers.

---

## EU's highest court invalidates the EU-US Privacy Shield; European Standard Contractual Clauses remain valid, but subject to conditions

16 July 2020

The CJEU declared invalid the EU-US Privacy Shield framework for the transfer of personal data from the EU to the US.
