Chung Wei advises public and private companies on business and technology-related transactions. He assists clients with structuring, negotiating and documenting intellectual property license agreements, joint research and development agreements, Internet-related business agreements, software as a service (SaaS) transactions, OEM agreements, distribution agreements, manufacturing and supply agreements and other commercial transactions involving intellectual property assets.

In addition, Chung counsels technology and emerging growth companies on corporate formations, venture financings, joint ventures, strategic transactions and mergers and acquisitions.

His clients come from a broad range of industries, such as software, social networking, mobile applications, hardware and life sciences.

NEWS

DLA Piper advises ZASH in acquisition of AdRizer through ZVV Media Partners, its joint venture with Vinco Ventures

16 February 2022
DLA Piper represented ZASH Global Media and Entertainment Corporation through its ZVV Media Partners, LLC joint venture with Vinco Ventures, Inc. (NASDAQ: BBIG) in the acquisition by Vinco of AdRizer LLC, a leading publisher and analytics solution company in the digital advertising space. As a result of the acquisition, AdRizer is now a wholly owned subsidiary of Vinco and will be fully integrated into video-sharing social networking platform Lomotif, which is owned by ZVV.
