AEO Certification Series (I)

27 October 2020

It is believed that most enterprises are no stranger to customs authorized economic operator (AEO) certification, and probably understand that this is a classified management approach of enterprises adopted by Customs. However, many enterprises still have reservations about whether it is necessary to apply for AEO certification and become an AEO.

China Enforces Tax Collection on Employees Working for Chinese-invested Enterprises Overseas

16 October 2020

With the recent IIT reform in 2019, and the introduction of a number of implementation rules (particularly the tax policy on overseas income), it appears the China tax authorities are taking a harder stance on how overseas income derived by China tax residents will be taxed in China, starting with Chinese expatriates working for Chinese state-owned enterprises.
