Jesús Zapata is DLA Piper Spain's Managing Partner and Partner of the Finance, Projects and Restructuring department in the Madrid office. He has a wealth of expertise in complex financial and banking issues, advising on significant transactions within the national and international market. He has also wide experience in corporate, acquisition and project financings.

Following a strong professional background in the Spanish financial sector, Jesús led the Finance, Projects & Restructuring practice of DLA Piper's Madrid office until 2020, when he was elected Managing Partner.
