Podcast | Decreto Liquidità, restano molte ombre

29 giugno 2020

Federico Zucconi, partner del dipartimento Finance, Projects & Restructuring, analizza gli effetti della normativa di emergenza volta ad agevolare l'accesso a nuova finanza da parte delle imprese, evidenziando le zone d'ombra rimaste nella disciplina anche dopo la conversione in legge del Decreto Liquidità.

DL Liquidità - I finanziamenti con garanzia SACE e il gruppo societario

27 May 2020

L'art. 1 del Decreto Liquidità prevede la possibilità per imprese di ogni dimensione di accedere a finanziamenti bancari assistiti in misura variabile da garanzia prestata da SACE. La norma si riferisce alla "impresa beneficiaria" quale destinataria del finanziamento; sono tuttavia numerosi i riferimenti al gruppo di appartenenza di tale impresa.

The Liquidity Decree: Extraordinary measures for the financial support to companies

18 May 2020

The Liquidity Law Decree issued by the Italian Government has introduced a package of extraordinary measures in order to support companies in facing the COVID-19 emergency. This includes measures on insolvency matters and for the protection of companies and strategic assets, the SACE guarantee and the Central SMEs Guarantee fund.
